

Minutes of the meeting held on Wednesday 1<sup>st</sup> September 2010

**Present:** Muriel, Oswald, Lara, Jean, Christina, Stephen

**Apologies:** Denzil

## **Changemakers**

Stephen welcomed Christina Gonzales from Changemakers to the meeting. Christina will be observing this and the other groups at St Agnes over the next few weeks/months with a view to discovering more about our ways of working and how people can be more involved. After introducing her work a discussion took place. It was decided that at our next meeting we talk more about building relationships/communication etc within the congregation and how we can engage other members in conversations, change etc. Comments were made about the importance of bringing people together, making people think, where people fit in, etc.

## **Mosque Twinning Agreements**

Due to the mosque re-building programme and the month of Ramadan we will wait for a month or so before resuming this connection.

## **Peace and Justice for Palestine**

The prayer vigil is organised and advertised. Details have been posted in the magazine, newsletter and website. Other churches have been invited as well. Mention was made of the recent developments in the talks between Palestine and Israel.

## **Convoy To Moldova**

There has been a really generous response to this and we are now ready to box the goods up before they are sent. Stephen to contact Doreen and suggest a time to box up and send.

## **Almanac**

The draft version has been updated with some extra dates left off from the original and is now waiting for the Worship & Faith group to finalise the services for 2011 and the other groups to finalise meeting dates. It was agreed to print the new parish ministry flowcharts on to the relevant pages of the Almanac to give people an overview of our parish work.

**Next Meeting:** Wednesday 6<sup>th</sup> October 2010 at 11.30am
