

Mission & Action Group

Meeting held on Wednesday 4th July 2007

Present:

1. Convoy to Moldova

Junior Church could be involved with this a bit more. Perhaps give them the DVD to be shown to them?

2. Persecution of Christians in Pakistan

We will ensure that we pray for Christians who are being persecuted – especially in Pakistan. There is no ready made letter to write in campaign against the introduction of Shariah Law in Pakistan so we decided to write one letter to each of the suggested people and then ask for those interested in the congregation to sign their name.

3. Discrimination issues

Inclusive Church (leaflets for which have been circulated previously around the PCC) could be a useful way of looking further into the issues of discrimination in a broader sphere.

4. Future direction of this group

This group should still continue to filter letters etc. Some issues are one offs and some need more long term input. Perhaps both are needed. It may be useful to have a theme for the year to guide the thoughts of this group and also to help the PCC in its mission giving decisions.

NEXT MEETING: Wednesday 1st August 2007
