## **Oxfam Knitted Petition**

This campaign is now closed according to the Oxfam website.

## **Alternative Christmas Card**

This has been ordered.

## **Other**

After a hectic summer, and with the parish looking at alternative worship, and the community garden plans it was felt that we would not suggest any items for the mission and action group agenda for the time being. We'll see what arises over the next few months. Harvest next Sunday will continue our USPG project themes.

Some discussion took place about the use of the projector and screen during the recent openmind worship event and how good it was to see hymns, words, pictures etc. Could we use this more often – not just for pictures and presentations but perhaps for words of hymns etc. Suggest PCC looks at this.

**Next meeting:** Wednesday 5<sup>th</sup> November 2008
